

Those of you who are currently using online bill paying services will be pleased to hear that we are launching a new giving service called “E-Giving”. E-giving is designed to enable you to contribute online and transfer funds electronically. This method of giving will provide the same confidentiality that you are accustomed to plus the convenience that online services offer. We understand this method of giving may not be for everyone and our regular offering time will continue to be a part of our Sunday morning services. If you would like to participate in E-Giving, please use this document for instruction.

You will need to have cookies and scripts enabled on your browser. Refer to your browser help documents for more information about these features.
